EXPECTED APRIL 10 2017

SAMURAI GLOVE® ULTRA-LIGHT A4

Another ANSI Cut Level A4 glove available with an ultra-light shell, this salt & pepper version is great for hiding stains and dirt. The salt & pepper liner is made from 18 gauge Tuffalene® HDPE. The black foam nitrile palm dip ensures the user has consistent grip and is also touch-screen compatible. A reinforced thumb crotch increases the wear resistance of this exceptional glove.

FROGWEAR® HV GLOW-IN-THE-DARK VEST

This feature rich ANSI Class 2 surveyor style vest can be seen from anywhere. Photoluminescent strips are sewn between silver reflective material and then placed between an orange contrast on a yellow/green lightweight mesh shell. In addition to the visibility features of this vest, it also includes 3 outside pockets, 2 inside pockets and 1 iPad pocket with a Hook & Loop closure. It zips closed and has a D-ring opening in the back.

EXPECTED APRIL 30 2017

FROGWEAR® HV LED VEST

This second vest in our LED lineup features white LED lights on the front and red LED lights on the back, with three different light pattern options. The high-visibility yellow/green is highlighted by the silver reflective material on orange contrasting trim. It also includes 4 outside pockets, 1 inside pocket, 1 inside iPad pocket and a D-ring opening in back.

CURRENTLY AVAILABLE

SAMURAI GLOVE® HIGH-VISIBILITY DOTTED PALM

Combining a high-visibility yellow/green Tuffalene® HDPE shell with a clean-looking black nitrile dip, this unique glove also carries an ANSI Cut Level A2 rating.

With a New Foam Technology 3/4 dip that delivers good grip, this glove also has the added wear value of a reinforced thumb crotch and dotted palm.

EXPECTED APRIL 30 2017

FROGWEAR® HV SOFT-SHELL JACKET

The first of its kind in the FrogWear® lineup, this softshell jacket brings comfort to an ANSI Class 3 jacket. Surprisingly warm and cozy, this is the perfect jacket for chilly spring or fall days.

This jacket features silver reflective material, adjustable sleeve cuffs and 3 inside pockets as well as a black bottom and inner sleeves.

EXPECTED APRIL 30 2017

FROGWEAR® HV REVERSIBLE VEST

Get double wear out of this vest with two different looks to choose from. The outer ANSI Class 2 high-visibility yellow/green 150D oxford fabric contrasts with the black bottom and silver reflective material. Reverse the vest for an all-black look.

This vest zips closed and features 2 inside and 2 outside pockets.

EXPECTED APRIL 10 2017

TSUNAMI GRIP® TOUCH SCREEN

Forget about taking off your gloves to handle phones or other touch screen instruments. This green/black nylon shell glove has a black New Foam Technology palm dip that is touch screen compatible. It also features a reinforced thumb crotch that may increase the lifespan and wearability of this glove.

CURRENTLY AVAILABLE

TUFFKUT® HIGH-VISIBILITY ADJUSTABLE SLEEVE

For those preferring the comfort of a loose fitting protective sleeve, this heavyweight, 19 inch long TuffKut™ sleeve offers a great solution to uncomfortable cut resistant sleeves. With worker-preferred, itch-free, comfortable fit vs. regular sleeve styles, it is also secure and custom fitting. A Hook & Loop closure in the forearm & wrist area allows for flexibility on exact sizing.

EXPECTED APRIL 10 2017

PUG® GLOVE TOUCH SCREEN

A great glove with a great-looking green & black shell, this general purpose glove is also touch screen compatible in a black polyurethane palm dip.

EXPECTED MARCH 13 2017

PANTHER-GUARD® POWDER-FREE FISHSCALE

Coming in a fishscale pattern that increases grip when compared to flat nitrile, these 6 mil orange gloves are a notable addition to the Panther-Guard lineup. They also feature a rolled/beaded cuff for ease of donning and spill resistance plus are FDA compliant.

EXPECTED APRIL 30 2017

FROGWEAR® HV HIGH-PERFORMANCE ANSI CLASS 3 POLO

Made of material that draws moisture away from the skin, this high-performance polo is great for summer jobs. ANSI Class 3 rated, the reflective material on this polo is segmented to allow for additional breathability and comfort.

EXPECTED MAY 29 2017

TUFFKUT® HIGH-VISIBILITY 18 INCH SLEEVE

A variation on general cut sleeves, this high-visibility yellow/green sleeve provides a safer, more easily seen option. With a thumb slot for a secure fit, this 18 inch version provides a snug, comfortable fit. It is rated for ANSI Cut Level A4.

EXPECTED MAY 29 2017

TUFFKUT® HIGH-VISIBILITY 14 INCH SLEEVE

This 14 inch version of the TuffKut® cut resistant sleeves comes in high-visibility yellow/green. It features an ANSI Cut Level A4 rating and a snug, comfortable fit.
