

DRILLCO
CUTTING TOOLS

THIS IS DRILLCO!

OUR STORY

Family owned and operated since our inception in 1978, Drillco has been supplying industry with the finest selection of quality metal cutting tools, manufactured in America and around the world for over 40 years. Drillco was founded and remains headquartered in Baton Rouge, LA.

Selling exclusively through authorized distributors in the U.S., Canada and abroad, Drillco offers a complete selection of domestic and imported metal cutting tools including: Drills, Taps, Dies, Reamers, Burs, Annular Cutters, Magnetic Drill Machines, End Mills, Masonry Drills, Countersinks and much more.

Drillco is the home of NITRO®, our premium line of drills, taps, reamers, and annular cutters which offer even higher productivity levels, saving you money!

Our large selection of tools, located in shipping locations in Baton Rouge, Waynesboro (PA), Los Angeles, Kansas City, and Portland (OR), combined with our state-of-the-art manufacturing facilities in Baton Rouge and Waynesboro, makes Drillco the best choice for all your cutting tool needs.

Our comprehensive product program, with over 8,000 SKU's, is backed by extensive inventory, friendly customer service, and strong field support.

The needs of our loyal customers continue to drive us to invest in new products, new services, and new technologies. Our new ERP system and online ordering system, scheduled for a 2020 launch, will improve our efficiencies and give our customers quicker access to more information than ever before.
